**PRESS RELEASE:** *Michael Parlane appointed as Player/Coach*

The Lancaster Park Cricket Club is pleased to announce the appointment of Michael Parlane to the position of Player/Coach for the 2011-12 season.

Michael has played 139 First Class matches and 167 One Day fixtures for Northern Districts and Wellington and is a well known figure on the New Zealand domestic scene.

With the departure of recent coach Garry MacDonald to Nelson, we are fortunate to secure a replacement of such high calibre. Michael is a NZC Level Two coach and is currently working towards his Level Three Qualification.

On his appointment Michael commented...

*"I'm very pleased to have joined a well run and competitive club, I'm looking forward to the new challenge and appreciate Lancaster Park Woolston giving me the opportunity to take this next step in my career.*

*I still feel I have a great deal to offer as a player at the highest level but this opportunity to help grow the potential within the club and develop my coaching was too good to pass up. I know my family and I will enjoy being part of LPWCC.*

*We are looking forward to a successful 2011/2012 campaign with the strong group of players at Lancaster Park Woolston CC."*

We look forward to a successful season with Michael at the helm, current captain Keryn Ambler will remain in the role.
